

Office Furniture Center

EXPECT VALUE

Office Reconfiguration

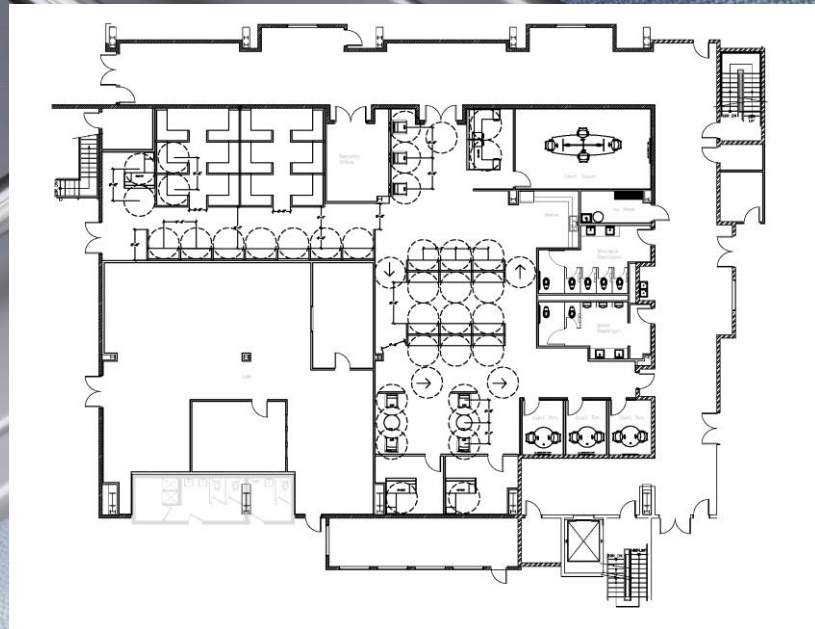

Our team of in-house space planning and office design experts can help you adapt and reconfigure your existing furniture to create a safe work environment for your employees.

Design Ideas & Concepts

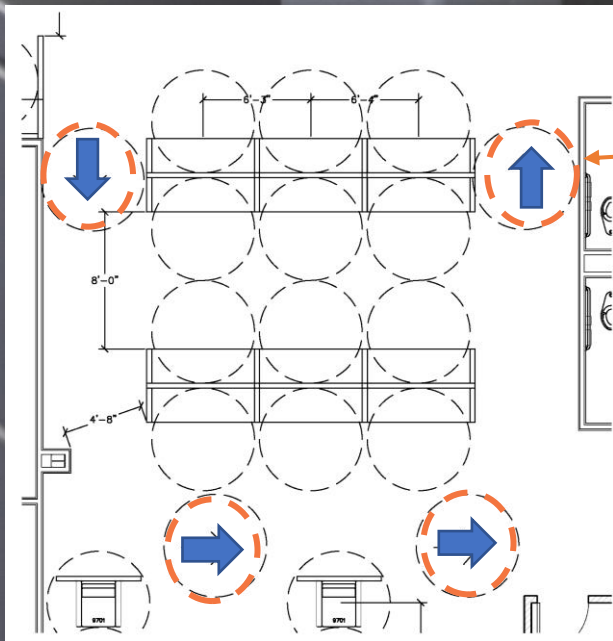

New workspace required few modifications to floor plans to increase spacing/separation between workstations, closing or modifying common/high-touch areas, and to help reminding employees of social distancing.

This coordinates to our SAFE Design for:

- Employee Flows Routine
- Workstation Area
- Conference Area
- Seating Area
- Collaboration Area
- Private Office Area

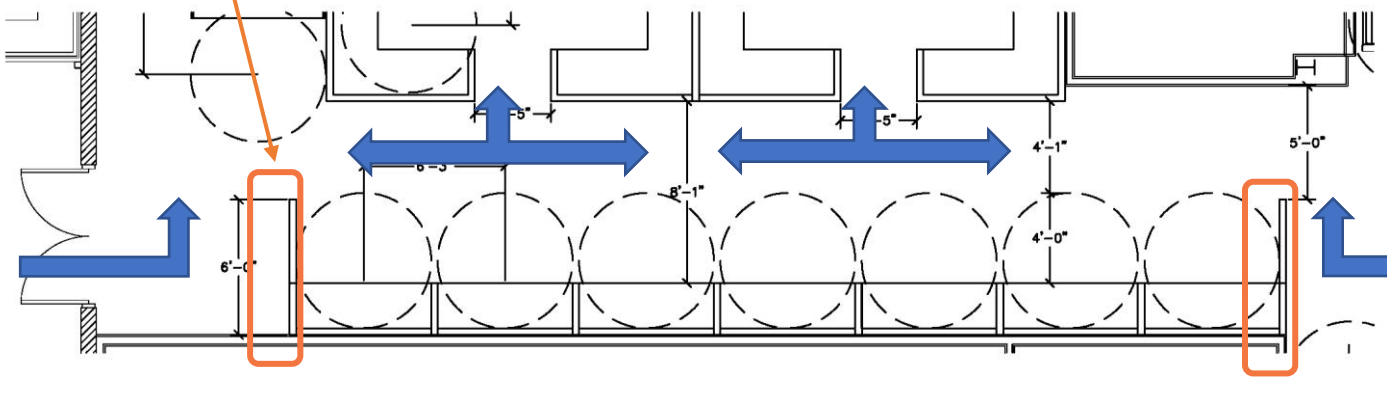

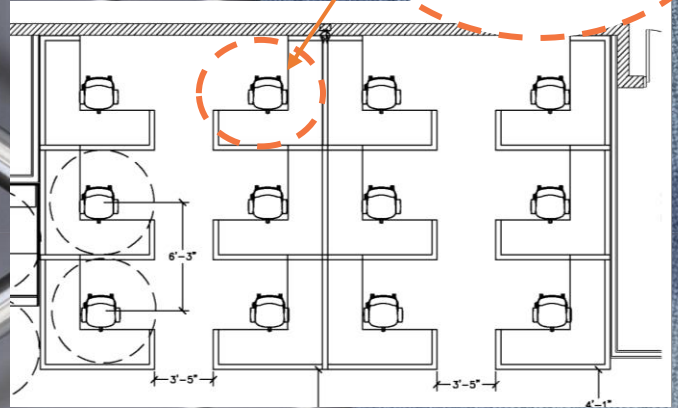

Design Elements in Practice

One Way Traffic:
A unique routing for each office, making traffic flow completely safe.

6 Feet Workstation:
An adapted and fully equipped workplace at which the user can work safely.

Traffic Barriers: Any kind of feature barriers to help instructing employees to walk in one direction into office area from hallways, breakrooms, or entrances to ensure an orderly flow to foot traffic.

Return To An Upgraded Office

Now is a great time to plan your office upgrades. Upgrading your office means taking the time to consider office design, layout, labor, furniture, and employee health & wellness. Office Furniture Center understands that you have a responsibility to provide your employees with a modern and safe working environment during these times, and we are here to help.

Achieve A Perfect Fit

When it comes to furnishing an office, the importance of reflecting a brand's image while also providing necessary equipment is paramount. Office Furniture Center's pre-owned inventory is completely customizable to fit your needs. From repainting to adding additional storage or glass tiles, we will help you create a perfect fit for your company's needs.

Modern Amenities, Value-Priced

Designing an office in 2020 means designing and including accessories to create a comfortable and sanitary workplace. Our huge selection of pre-owned storage, privacy screens, glass tiles and more will help you furnish your office quickly and within budget. See our available options in the left-hand column.

Reconfigure Your Existing Furniture

Don't think you have to purchase an entire new office layout to meet the new social distancing guidelines. We can work with what you have! Our design team experts can evaluate the existing furniture and offer a plan that adjusts what you have and incorporates some new accessories that will keep your team safe and productive.
